Opis produktu

Exciting stories are waiting for movie fans with this LEGO(R) ? Disney and Pixar Toy Story Lotso (43306) model building kit. This buildable set for kids, inspired by the Toy Story universe, is fun for girls and boys ages 9 years old and up, encouraging creative play or cool display. It includes a brick-built pink-and-white Lotso the bear character with a movable face, arms, legs and hands, and a walking stick. Lotso can stand or sit and has hidden Easter eggs to discover. This Lotso gift-giving idea is a great choice for girls, boys and any Toy Story fan. The Disney building toy can expand a current collection or start one with a well-known character. And as kids build, they can collect all their sets in one place: the LEGO Builder app lets kids save their sets, zoom, rotate in 3D and track their building progress with ease. Set contains 570 pieces.

- MOVIE CHARACTER BUILDING TOY - Surprise girls and boys ages 9 years old and up with a model building kit that lets kids share their love for Disney and Pixar's Lotso the pink bear from Toy Story 3
- PLAY OR DISPLAY - This Lotso (43306) Disney toy building set features a posable, brick-built version of the well-known bear character from the Disney and Pixar Toy Story universe
- CREATIVE POSING OPTIONS - Pose Lotso the bear standing up or sitting down, tilt his face, move his eyebrows, lift his arms and turn his hands, with or without his walking stick
- REPLAY FUN MEMORIES - The building set includes a brick-built walking stick for Lotso, along with several surprise Easter eggs, hidden in his back

-
